

Technical Data Sheet

Calcium hypochlorite (CHC)

Origin:	China	Packaging:	40kg/45kg drum
CAS - No.:	7778-54-3	Storage:	cool, clean and dry
Chemical formula	Ca(ClO) ₂	Shelf life	12 months

***Standard and Directive Reference:**

--

***Application:**

For water treatment.

***Typical chemical analysis**

Available chlorine:70%Min

Moisture(H₂O):5.5-10% Max

Monthly chlorine loss rate:0.8~1.5

Granularity (14~50 mesh):85%Min

***Physical Analysis:**

Granular

***Packaging:**

40kg/45kg drum

***Label:**

Label includes batch number, net weight, manufacturing & expire dates.

Labels are marked according to UN directives.

***Safety and storage conditions:**

UN.No.: 1748; IMCO Class: 5.1
